ORDER APPROVING WITHDRAWAL OF APPLICATION FOR CERTIFICATE

(Issued October 26, 2001)

On September 18, 2000, the Utilities Board (Board) issued an order approving the application of Telergy Network Services, Inc. (Telergy), for a certificate of public convenience and necessity to provide local exchange service in Iowa. The Board in the order stated that a certificate would be issued to Telergy to commence service once it had approved tariffs showing the rates, conditions, and terms of service it would be providing.

On October 11, 2001, Telergy filed a letter with the Board requesting withdrawal of its tariff and cancellation of its certificate. Telergy stated that it never commenced operations in Iowa and did not have any customers in Iowa.

The Board notes that there is no record of Telergy filing a tariff with the Board, nor is there record of the Board issuing a certificate to Telergy following the September 18, 2000, order. Therefore, the Board believes it is Telergy's intent to withdraw its current application.

The Board has considered the request to withdraw the application and finds that it is reasonable. Telergy has not established local service in Iowa nor does it have any Iowa customers who would be affected by its withdrawal.

IT IS THEREFORE ORDERED:

The request of Telergy Network Services, Inc., to withdraw its application for a certificate of public convenience and necessity to provide local exchange service is approved.
